Business shirt

The stretch fabrics are surprising for their compactness and brightness and ensure a perfect fit and high comfort. Particularly innovative is the Natural Comfort whose secret lies in an innovative treatment that gives natural elasticity to the fabric, without the use of synthetic components.

The moisture absorption and moisture release of bamboo fiber fabric is the best among many fiber materials. In summer, people will feel very cool and will not feel stuffy. On the contrary, it will be more breathable.

Business shirt fabrics that represent the must haves of the shirt that everybody should have in their wardrobe to the most precious and exclusive fabrics in the world.
